The opposition brigade of the Ringling Brothers Circus arrived in this city last night and are billing the county for their appearance during the first week of September. The men are not aware of the date of the shows time here but it is their business to ee that it is as well advertised if not better than any like attraction which of the Francis terminal the Burlington is to play the same city within a

months time.

These opposing campaigns are some-times exciting and many interesting ales center about them. It is reliably reported that the Hag-
